

# Diversity & Inclusion.

**ADSSI is committed to the principles of fairness, equity and justice.**

We are dedicated to cultivating a warm and supportive atmosphere for all members of our team. We recognise that promoting diversity is essential to fostering inclusivity and enhancing employee engagement, resilience, productivity, and performance. Ultimately, this benefits our clients, volunteers, and staff alike. Our commitment is to create a work environment that promotes our employees' physical, mental, and emotional well-being, especially those who may encounter discrimination, violence, isolation, or marginalisation outside of work.
